PRODUCT MARKETING SHEET

PERMANENT WATER GUARD®

FABRIC TREATMENT

P1357
Net Wt. 10 oz

- Guaranteed for 25 washings*
- Water based
- Environmentally friendly
- Waterproofs and leaves fabrics dry and breathable
- Restores the water repellent finish to all water repellent and water proof breathable systems
- Propelled by co^2 not by fluorocarbons
- Use on Gore-Tex®, Entrant®, eVent®, nylon, polyester, microfibers, all blends, fleece, cotton, rayon and polypropylene
- *Garment must first be washed in Penguin Sport-Wash®, to remove residues left by other detergents
