PRODUCT MARKETING SHEET

UV-BLOCK®

P2344
10 fl oz.

FABRIC TREATMENT

- Turns fabrics into ultra violet protection barriers
- Performs best when washed with Sport-Wash® to remove residue left by other detergents
- One bottle permanently treats 4 light weight garments
- Permanent UV absorber
- Stops the sun's damaging rays before they penetrate your clothes and reach your skin
- Prevents color fading
- Helps fabrics last longer
- Fragrance-free
